This past November 6-7, we held our annual Fall Cloverbud Camp. Campers ages five to eight enjoyed activities including crafts, nature studies, fun with foods, and pumpkin decorating. Everyone had a blast at this camp, from kids to adults!

In Nature Studies, summer staff member Jaws took the kids on a nature hike and explored the colors within our environment. Campers trekked through the woods, observed the swamp, peeked at the river, and even learned about some fun animals!

Campers also got to decorate their own mini pumpkins! Straight from Pumpkinville, these mini pumpkins were transformed into masked super heroes, leprechauns, Christmas characters, fashion divas, and princesses. Each camper shared their pumpkin's stories. They were very creative!

Fun with Foods class was another favorite, where campers explored the outdoors, and what

critters live in dirt and gardens. They later came inside and made a little dirt of their own, including cake crumbs, brownie bits, gummy worms, and other yummy goodies!

Despite the cold, the campers did get a chance to play some games outside! We also enjoyed a dance, and a fantastic ice cream social!

Overall, the camp was a huge success, and all of the campers, teens, staff, and adults had a blast!

Thank you for joining us!

Hear what the Program Specialist has to say!!!

Thank you so much to our wonderful volunteers!!! This camp was a success because of our dedicated camp lovers, including our adults, teens, and staff in training! Thank you so much for making this possible!

I also want to give a huge thanks to Dan, Kate, Goose, and Jaws for volunteering to teach classes at Cloverbud Camp. After the classes were over, when I asked campers what their favorite class was, many campers had a hard time deciding because they loved them all!

This weekend was full of wonderful memories and plenty of laughter. I still have a friendship bracelet a camper made for me!

Thanks to everyone for helping make this such a wonderful experience!

A Special Thanks to:
