March 12-13, 2011 was our Spring Cloverbud Camp for campers ages five to eight. The weekend was filled with exciting classes, relay races, a campfire, and even a dance!

Classes were lead by summer staff and extension staff, and fun was had by all. Thanks to everyone who volunteered to lead classes for our campers!!

In Nature Studies class, Jaws, Twist, and Grace took campers on an exploration hike of the wetlands walkway and the new living shoreline beach. Campers learned about the world around them, and even got to pet a few snakes and turtles.

Campers got a chance to test their archery skills on the Archery Range with Jazzy J and Spencer. Several campers were shooting for the first time, and some even hit the bulls-eye!

Kendra and Mamaweez went Bonkers about Bugs!!! Together they taught us how to classify whether or not a critter is an insect, and lead the campers through the metamorphosis of a butterfly.

Campers also planted tiny seeds with Tara and Flounder, read Eric Carle's book *Tiny Seed*, and learned the different parts of a plant.

Later we participated in Clover Relays, where each team of campers passed through hula hoops, put on wacky costumes, filled baskets, and cheered on their teammates!

Later in the evening, DJ Reggie Morris had campers dancing their hearts out to some fantastic tunes! We danced to old favorites such as the Electric Slide and the Macarena, and some of our new favorites too. We finished up the evening with an ice cream social, and then a camp favorite: the campfire.

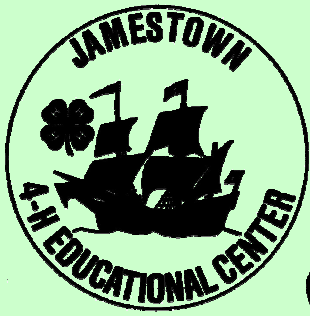

All weekend, campers, teens, and adults sang, laughed, learned, and made new friends. Overall, Cloverbud Camp was a huge success!!! Thanks so much to everyone that helped make it such a hit!

We've got some great camps planned for this summer and the rest of the year so be sure to check us out at www.jamestown4hcenter.org.
