

CLOVERBUD CAMP

This camp offers five to eight year olds the opportunity to experience the excitement of overnight camping. Through the many songs, games, special programs, classes, and campfire experiences that camp offers, campers can learn critical life skills such as how to plan ahead, solve problems and work with others while developing a love of the outdoors.

No camping experience is complete without programs around the fire. Songs, cheers, and stories make these activities come alive for Cloverbud youngsters.

Scheduled activities may include the following:

- Arts & Crafts
- Theatre
- Cooking
- Marine Science
- Campfire
- History

The first price (\$80) is our historically subsidized rate (\$85) is a partially subsidized rate (\$95) represents the true cost of camp.

This program is voluntary (you choose the price), and in no way influences the quality of experience each child receives.

Additional financial assistance may be available to ensure all children have this wonderful opportunity to attend camp.
