Realizing that families have differing abilities to pay, we are offering a voluntary 3-tier pricing program at the 4-H Center. Please take a moment to look at the rate descriptions below and determine which of the prices your family is able & willing to pay for your child's camp experience.

The first price (\$105) is our historically subsidized rate (\$115) is a partially subsidized rate (\$125) represents the true cost of camp.

This program is voluntary (you choose the price), and in no way influences the quality of experience each child receives.

Additional financial assistance may be available to ensure all children have this wonderful opportunity to attend camp.

### Teen counselor fee is \$15

There will be a charge of \$25 for all returned checks due to insufficient funds. The fee plus the original amount of the check will be payable by money order or cashier's check only.
